“I would like to personally commend Brent Moyes and the staff at Eaglewood Golf Course for the excellent services they offer. Our company hosted a three day golf event comprising 350 golfers. The greens and fairways were in great condition and the views from the course are spectacular. Over the three day period of our tournament, the staff was courteous, accommodating and very helpful to our clients. During our tournament I had many clients comment to me that their experience at Eaglewood was great. Since our golf event, I know many of our clients have also scheduled their own golf tournaments at Eaglewood Golf Course.”

Thank you for making our tournament a success!
