3	146	171	192
4	114	139	160

REPAIR BALL MARKS

This is the longest par 4 on the course. Driver favoring the left hand side is the play. If you are a long hitter you can challenge the bunkers down the right hand side. The approach plays slightly up hill and the green is very long and slopes from back to front. If the pin is in the back be sure to take an extra club.
